

Paper Prisms - 3D Challenges

Creating 3D shapes from paper is a great way to get to see shapes from the point of view of their properties.

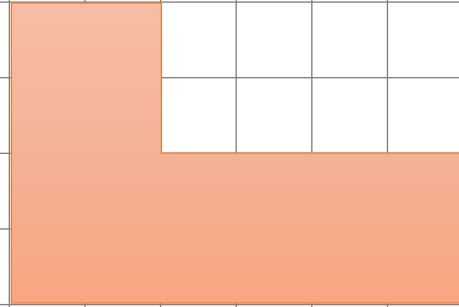

The dotted lines show where to fold the paper

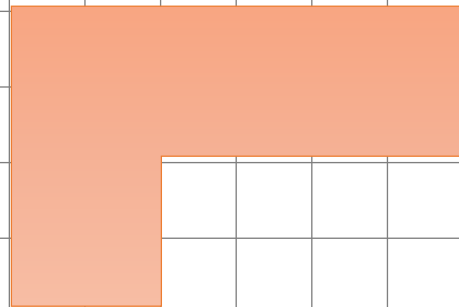

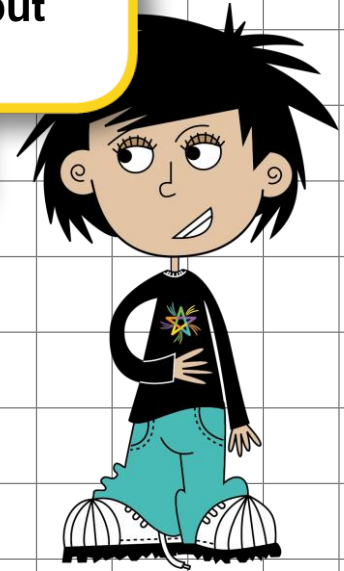

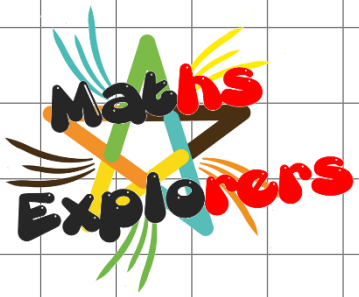

Paper Prisms - 3D Challenges

Try creating a prism using this shape at each end

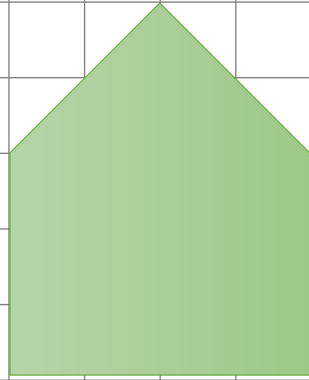

Remember to put tabs in.

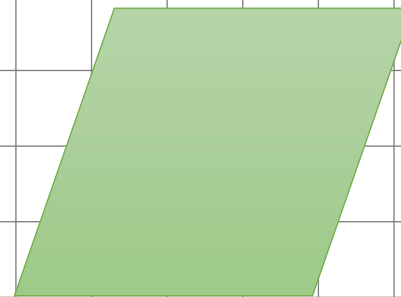

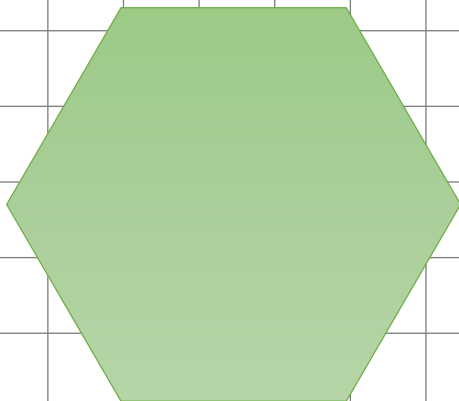

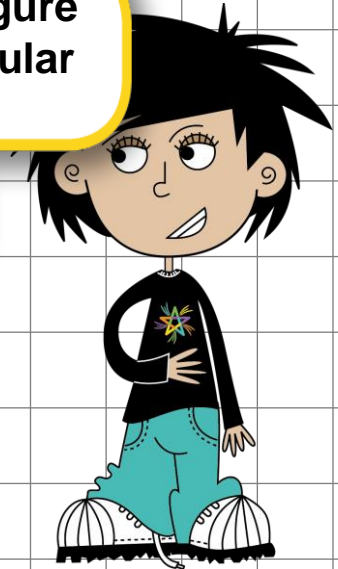

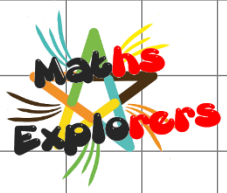

Paper Prisms - 3D Challenges

What about some of these other shapes?

How will you figure out the rectangular piece?
